

***NEW* End of Course Summer Assessment Enrollment**

FROM: Office of Data System Management

TO: Assessment, Core Data, Curriculum, Guidance, MOSIS, Technology Contacts; Jr. High and High School Principals

DATE: May 11, 2011

SUBJECT: *NEW* End of Course Summer Assessment Enrollment

In Administrative Memo CCR-11-013, districts were notified the department awarded a new EOC assessment contract to Questar Assessment, Inc. This contract begins with summer 2011 EOC testing. The testing window is scheduled for June 13, 2011 to August 31, 2011.

Districts will no longer be required to provide aggregate numbers of students testing. Precoding, through the department's MOSIS system, will calculate the number of online testers. The summer 2011 precoding window is now open in MOSIS. The deadline, for precoding, has been extended to May 27, 2011.

Please note charges for assessments will be based on this information, so verify the accuracy prior to uploading into MOSIS. The cost is \$1.80 per student per Algebra I, Biology I, and English II assessment. Districts will not be charged for any of the voluntary content areas or Government assessments.

If you have questions on this process, please contact Accountability Data at (573) 526-4886.
